

PARENTS

If you need help finding more immediate resources in your area, please email the School Success Worker in your child's school. Email addresses can be found here at:

[School Success Locations & Service Area](#)

Michigan Department of Health and Human Services Info:

You can access Mi Bridges at <https://michigan.gov/mibridges> from your phone or any computer, for your benefit needs including:

Applying for benefits – food, cash, Medicaid, SER, etc.
Checking benefits
Address changes
Uploading of documents

Please call **(888)678-8914** to request a new Bridge card if necessary.

If you have questions regarding your case, please call **(844)464-3447**.

Please note that individuals can download and print a copy of our applications at:
https://www.michigan.gov/mdhhs/0,5885,7-339-71551_7338-69226--,00.html

All program applications are also available at local DHHS offices in their secured lobbies, along with return envelopes and a drop box for everyone's convenience.

Children's Protective Services

Reporting Abuse & Neglect

Anyone, including a child, who suspects child abuse or neglect, can make a **report** by calling **(855)444-3911**. In addition, the Child Protection Law requires certain professionals to **report** suspected child abuse or neglect.
