

Are you 21 or older with no degree?

You could go to college for free!

Michigan Reconnect has been temporarily expanded to allow Michigan residents 21 or older to access free tuition at community and tribal colleges.

Want to learn more? Michigan College Access Network and the Michigan Department of Lifelong Education, Advancement, and Potential have trained Retired Educator FAFSA Specialists throughout the state who would love to talk with you about postsecondary education opportunities and assist with navigational support.

Applicants 21-24 years old are encouraged to apply as soon as possible, because they must be enrolled by fall 2024 to take advantage of the temporary expansion.
