

Lee Gapczynski
Board Member

Mr. Gapczynski was appointed to the NEMCSA Board of Directors in 2015. "I won the Presque Isle commissioners seat previously held by Chris Sorgenfrei. She was the county's representative to NEMCSA, so I guess you could say I became board member by default." Lee is currently on the Program Planning and Evaluation committee.

"When I first came on the board I had absolutely no idea what NEMCSA was. At every meeting I am amazed at the scope and reach of our programs and the data presented. I also enjoy meeting the other board members," says Lee.

When asked 'what does treating participants with dignity and respect mean to you?' Lee replied, "Not everyone is given the same opportunities in life. NEMCSA programs allow the participants to receive the help they need without feeling degraded."

Mr. Gapczynski was born in Rogers City fifty eight years ago. He has been married to his wife, Joan, for thirty eight years and have two children, Jerome and Sasha. Lee graduated from Rogers City High School and Alpena Community College. He sailed the Great Lakes for eight years and then owned and operated Lee's Ready Mix. Currently he is a semi-retired licensed builder specializing in insulated concrete forms. Lee enjoys hunting, fishing, snowmobiling and an occasional road trip.

Lee is a past member of the Rogers City Area School Board. He has three sisters, Stacie and Julie live in Alpena, Nancy lives in Alaska.
