

School Success Partnership Program 2024-25 Data Dashboard

Performance Objectives to be measured and reported

- 1. Increasing school attendance and decreasing chronic absenteeism
- 2. Increasing academic performance based on grades with emphasis on math and reading
- 3. Identifying barriers to attendance and success and connecting families with resources to reduce these barriers
- 4. Increasing parent involvement in child's school and community

Performance Objective Results

Top 3 Reasons for referral to the program: Academic Behavior Attendance

Common Barriers Identified

Social-Emotional Skill Development

Students often struggle with emotional regulation, resilience, and interpersonal skills, impacting their ability to engage in learning.

Educational Skill Development

Many students face academic challenges due to foundational learning deficits, contributing to disengagement and low performance.

Support Systems

Navigation of critical support systems to foster consistent family, school, or community support hinders students' ability to thrive both academically and personally.

★ School Success Program Mission Statement ★

The School Success Program is dedicated to ensuring that every student has the opportunity to reach their full potential. We provide personalized support, mentorship, and a nurturing environment designed to foster academic success and personal growth. Our commitment is to remove barriers to learning, promote good attendance, and actively involve families in their child's education journey and life goals, ensuring a holistic approach to each student's development, happy, healthy and ready to learn.
